MEMORANDUM FOR: Chief, Military Personnel Division

THROUGH : Deputy Director of Security  
(Investigations and Operational Support)

SUBJECT : Request for Travel Restriction for DFD  
Military Returnees

Pursuant to recent telephone conversations between [redacted] of MFD and a representative of this office, it is being requested that a one-year restriction on travel or assignment to the USSR, Latvia, Lithuania, Poland, East Germany, Czechoslovakia, Hungary, Rumania, Yugoslavia or Communist China be written into the service record of military assignees to the DFD upon return to their parent unit. This restriction is justified in light of the assignees knowledgeability of matters of extreme sensitivity to the United States Government.
